Ballet's Greatest Hits: YAGP documentary

Posted 21 November 2013 - 12:54 PM

The gala performance at YAGP is now available for instant download on Amazon for \$9.99:

It appears this is the only way to obtain it, with no actual DVDs listed as available. But what a treat to see a recording of specialized interest available through download. (Don't forget to go through the Amazon box on this site if you are going to purchase it!)
