

YAGP 20th Anniversary Season Regional Semi-Final Tour Guide

Brisbane, Australia: October 28 - 29, 2018

Dear Friends,

We are thrilled to welcome you to the Youth America Grand Prix 20th anniversary competition season and the third annual year of the Australian Semi - Finals. Below, you will find a preliminary timeline - to help you plan your schedule - and venue information.

TIMELINE

Please note that the posted timeline is NOT FINAL, and is only meant to give you an idea of how each particular semi-final will be structured. If you see a "pending" date for your venue of choice, this means that depending on the number of students who register, we may have 2 groups of classes instead of just one. Closer to the event, the master classes will be divided up by age, at the discretion of the YAGP regional team. These classes, in addition to being an educational experience, will also serve as a live audition for several European and American schools - summer programs, short term visits, and full year opportunities - as well as an audition for the YAGP New York City Finals 2019.

The breakdown will be made clear in the final timeline. The first draft of the updated timeline will be posted after the registration cut-off date, about five-to-six weeks prior to each semi-final. The final timeline will be posted 7 - 10 days before the event.

VENUE

Here you will find details about all Semi-Final event facilities. We are also planning to do a Q&A Session for parents and teachers during the Master Classes. More details will be available after registration begins.

Best of luck this season, and please do not hesitate to direct any additional questions to regional@yagp.org.

All the best,

The YAGP Team
