

2019 YAGP FAQs

REGISTRATION

Q: How can I register for the 2018-19 YAGP Season?

A: Registration for the 2018-19 season opens on July 1, 2018. You can register both solos and ensembles online at our [website](#). Please check the YAGP Rules and Regulations for valuable information and instructions on how to register.

Q: When is the cutoff date to register for each event?

A: YAGP will close registration if/when we reach our maximum capacity. Capacity is based on competition runtime for each venue. It is NOT based on number of entries. We highly encourage all students, parents, and teachers to register as soon as possible to ensure your attendance at the venue of your choice.

Q: When is the deadline to submit video registrations?

A: December 1, 2018

Q: What is the deadline for paying my outstanding balance (for registration and entries)?

A: In order to reserve space at any location, YAGP must receive the registration fee deposit of \$95 per dancer, per location. The full fee must be paid no later than 60 days before the competition date. The final competition schedule will only include participants who have paid their balance completely. Please check out rules and regulations for more information:

Q: My preferred venue is closed. What should I do?

A: We highly recommend registering for a Semi-Final city that is still open. If this is the only Semi-Final city you are able to attend, you may register for our Waitlist following the instructions below.

1. Log in or create an account through DanceComp Genie
2. Select 'Add New Registration'
3. The first page you will see is the 'Who and Where', and under 'Location' please scroll down to and select 'Wait List City' from the drop down menu. Do not select simply 'City,' or it will not allow you to complete the registration.
4. Continue through the registration until you have entered all of your entries, then click 'Save'
5. Finally, a waiver will be sent to the email address you provided for your dancer(s), if you have not already completed this step. Waivers should be completed as soon as you register for the waiting list, or we will not be able to move your dancer into the competition if space becomes available.

Please note: The Waitlist operates on a first-come, first-serve basis, and entries are only moved from the Waitlist to a confirmed registration list when and if space becomes available as a result of cancellation by another registrant, or due to additional competition time becoming available in the venue. If and when space becomes available, you will receive an email confirmation of your participation in the semi-final, at that point, payment will be due.

Q: What do I do if I am unable to complete my registration due to a missing waiver?

A: If you do not receive the waiver form within 24 hours of submitting your registration, please double check the email that you provided and resend yourself the waiver by following the instructions in this video:[link](#). If you are still having an issue, please contact the YAGP Regional Registration office.

Q: How do the age cut-offs work?

A: A participant's age for the YAGP 2019 season is determined strictly as of January 1, 2019.

Q: Do I need to compete with both a contemporary and classical solo?

A: No! You do not have to perform a solo in both categories in order to participate at a YAGP Regional Semi-Final Event. Please note, that Juniors and Seniors must perform a Classical solo to be eligible to pass to Finals. If a Junior or Senior participant has passed to the Finals, they will be required to perform both a Classical and a Contemporary Solo in New York City.

Q: If I am registered for multiple solos in the same category and have a preferred order, am I able to request this?

A: Although we cannot make any guarantees, we will do our very best to accommodate any specific schedule requests. What you will need to do is to add this into the 'Notes' section of your registration. This can be done when you initially register or when changes are made to your registration.

Additionally, at judges' discretion, individual solo participants who did not receive a total score of 96 or higher on their Classical Ballet variation may be invited to the Finals.
