

YAGP 20th Anniversary Season Regional Semi-Final Tour Guide

Paris, France: November 8 - 11, 2018

Dear Friends,

We are thrilled to welcome you to the Youth America Grand Prix 20th anniversary competition season. Below, you will find a preliminary timeline to help you plan your schedule, and venue information, in order to help you choose the right Semi-Final location for you.

TIMELINE

Please note that the posted timeline is NOT FINAL, and is only meant to give you an idea of how each particular semi-final will be structured. For example, the Semi-Final usually begins with the pre-competitive group performances, followed by junior groups, senior groups and ensembles. Workshops usually take place differently in each venue, depending on the size of the group and the location. Depending on additional availability of studio and theater space, we may accommodate additional participants from the waiting list, by making adjustments to the timeline and adding an additional day to the competition. In this case, the timeline will state that additional dates are "pending". If you do not see this, it means the venue has no more available time, and will only accommodate a set number of participants. If you see a "pending" date for your venue of choice, **we strongly suggest that you contact the YAGP Regional office before making any final travel arrangements.**

The first draft of the official schedule will be available 6 weeks prior to the competition, no later than September 27, 2018. The official schedule will be posted two weeks before the competition, no later than October 25, 2018. We recommend booking your travel arrangement after the first draft is posted online.

YAGP's mission is to give talented students an opportunity to receive grants and scholarships with the most prestigious ballet schools and companies around the world. Though the Barcelona Semi-Final is a qualifying round for New York Final, there is a chance to receive grants and scholarships on the spot as the semi-final competition and master classes are visited by the directors of numerous ballet schools and companies.

VENUE

Here you will find details about all Semi-Final event facilities, including theaters and studios. The number of seats in the theater can be used as a good indicator of the size of the event -- the smaller the size of the auditorium, the more limited the capacity of the event, and vice versa. Semi-finals that take place later in the season usually get more crowded. In all cases, we recommend registering early to ensure participation in your preferred venue.

Best of luck this season, and please do not hesitate to send all your additional questions to regional@yagp.org.

All the best,

The YAGP Team

Important Information

About the Venue: All competition events will take place in Nanterre – a secure suburb near Paris, located 20 minutes – and 6 RER stops – away from the city center (Châtelet – Les Halles). The competition will take place at the Theatre Andre Malraux, in a picturesque neighborhood, with several great dining options in the area. There is a studio onsite at the Theater, which will be used mostly for warm-ups and occasional classes throughout the weekend. The master classes will take place at the Studios of the Paris Opera Ballet School - giving our participants a once-in-a-lifetime opportunity to take classes inside the state-of-the-art facilities of the oldest and one of the most prestigious ballet schools in the world - just 3 short RER stops away from the Theater (6 minutes). YAGP is proud to be the first outside organization to which Paris Opera Ballet School opened its doors in its 300+ year history. The YAGP Paris Semi-Final is run in the similar structure as our New York City Finals - with a Final Round, and scholarship classes held throughout the weekend. As a result, a substantial amount of scholarships are awarded at this semi-final. There are several hotel options to choose from, located either within walking distance from the studios, or from the theatre, and a train station is a few stops away from the studios.
