Please note: Not adhering to the YAGP rules and regulations will make participants ineligible for Top 3 placement at the venue.

General Information

- YAGP is open to dance students of all nationalities, ages 9 -19 years old. Students younger or older may participate in the Ensemble or Pas de Deux category, as long as the average age of the dancers in the ensemble or Pas de Deux falls between ages 9 and 19. To find the average, add the age of all dancers and divide it by number of the dancers in the entry. The final number should be between 9 and 19.
- A participant's age for the entire YAGP 2020 season is determined strictly as of January 1, 2020.
- **Professional dancers are not permitted to compete in YAGP.** A professional dancer is defined by YAGP as anyone who is employed as a full-time dancer (Apprentices are included) with a professional dance company on a yearly contract that engages the dancer at least 26 weeks per year. This includes dancers who are not currently employed under such a contract, but have been in the past.
- We encourage YAGP participants, parents, and teachers to check the YAGP website <http://www.yagp.org> and FOLLOW YAGP ON FACEBOOK, TWITTER AND INSTAGRAM for the latest registration information and other updates.
- Participants may enter the competition as soloists, part of an ensemble or Pas De Deux entry, or in any combination thereof.
- Participants may enter the competition either representing an Independent Student who is participating without a school affiliation, as an Individual Dancer who is affiliated with a school (You must obtain your school's 36-digit studio code before registration can be started), or the Studio/School may register all participants for YAGP. All Ensembles must be registered through a Schools/Studios account.

Attention: If you are registering through multiple accounts (for example: both an Individual account for your solos and a School account for ensembles), it will be Participant's responsibility to notify YAGP of the multiple registration fees BEFORE making the second payment. YAGP is not liable for registration fees paid twice.

- Participants are welcome to register at multiple Semi-Final locations (subject to space availability at each location).
- In order to compete in the Classical Ballet category at any regional Semi-Final, dancers must select their variation from the Classical Repertoire List (see below and **please note age restrictions on variations**).
- It is the **participant's responsibility to obtain approval to present choreography** for any variations that require approval listed below.
- Students are able to perform more than one variation, however, YAGP reserves the right to restrict the number of variations a student may perform, restrict the number of events a student attends, or decline any registration at YAGP's discretion.
- In all YAGP Europe locations, students may only perform up to 2 Classical variations and 2 Contemporary/Open Solos.

- All solo participants have a choice of performing in one or both of the following categories:
 - Classical Ballet: Variation must be chosen from the Classical Repertoire List below.
 - Contemporary/Open Dance: This category includes any “open solo” variation that is not taken from the Classical Repertoire List and features a different aspect of the participant’s skill and versatility as a dancer.

PLEASE NOTE: in order to qualify for Finals, each Junior and Senior participant must perform at least one Classical variation from the repertoire list, provided by YAGP.

Once invited to the New York Finals, all Junior and Senior participants must perform one Classical variation and one Contemporary solo.

- Participants who wish to perform a Pas de Deux from the Classical Repertoire List may perform adagio and coda only.
- Pre-Competitive participants are restricted to the PC-specific Classical Repertoire List. YAGP rules allow for Pre-Competitive participants’ teachers to make slight changes to the original, classical choreography, in order to accommodate a student’s specific technical level. If significant changes are made to a classical variation, or if an original work is choreographed for the student, that piece will be considered as a Contemporary/Open category entry.

PERFORMING EN POINTE

We are strongly committed to ensuring the safety and well-being of all dancers, and especially of our youngest participants. Please make sure that you adhere to the guidelines set forth below:

Students Age 10 and under are strictly prohibited from performing en pointe. If participants still choose to perform en pointe, they will not be eligible for any Top 3 placement at that venue.

Students Age 11 are strongly discouraged from performing en pointe.

NOTE: Pre-Competitive students performing en demi-pointe may perform any variation from the Junior list of repertoire in addition to the Pre-Competitive repertoire list.

- Master Classes with the YAGP jury members and master teachers are an integral part of the YAGP experience and part of YAGP’s educational mission. Though **participation is not mandatory**, we strongly encourage all participants to take advantage of this valuable part of the YAGP experience. **Master Classes are included in the Registration Fees.** Not attending will not affect a participant’s score or standing with YAGP.
- Depending on the studio availability in each location, some locations will have a shortened day of Master Classes – 2 classes instead of 3.
- Parents are not permitted to observe Master Classes due to space constraints in studios.
- By the request of the many theater facilities’ administrations, and in order to comply with fire code regulations and security considerations, a maximum of 2 representatives per school (including teachers and school/studio directors) are allowed backstage only during OPEN STAGE! **There will be no exceptions.**
- YAGP reserves the right to make photo and/or video recordings at any time during any YAGP event. This includes, but is not limited to, the recordings of master classes, participants’ rehearsals or performances during the competition, or any activities in the venue lobby or

backstage. By participating in YAGP, participants and their parents and/or legal guardians give their express permission for YAGP to make any photo/video recordings at any time. Also, by participating in YAGP, participants and their parents or legal guardians give YAGP their express permission to use any such photo/video recordings (including those containing their name or likeness) for YAGP promotional purposes (including any uses in print, online, or in social media).

PLEASE NOTE: YAGP rules and regulations do not permit participants to receive winning placement at more than one location. The only exception to this rule is when a dancer places higher than in previous venue.

Example: If a dancer has already placed in the Top 12 at one Regional Semi-Final, he/she will not be eligible to be placed in Top 12 at any other location – unless they place higher (1st, 2nd or 3rd place). If a dancer receives 2nd place at one Regional Semi-Final, he/she will not be eligible to receive any place at any other location – unless they place higher (1st place or the best overall in their age division).

***NEW for 2020 Season* Small and Large Ensembles**

Due to high demand, awards may be announced either separately or combined for Small Ensembles (2-4 dancers) and Large Ensembles (5+ dancers). This will be determined at the judges' discretion and is dependent on the total number of Ensembles in any given venue.

Age Divisions

- **Senior age division:** 15 -19 years old
(born between January 2, 2000 and January 1, 2005)
- **Junior age division:** 12 - 14 years old
(born between January 2, 2005 and January 1, 2008)
- **Pre-Competitive age division:** 9 -11 years old
(born between January 2, 2008 and January 1, 2011)

Pas De Deux, Duets, small and large Ensembles:

To find the average, add the age of all dancers and divide it by number of the dancers in the entry. The final number must be between 9 and 19.

PLEASE NOTE: It's strongly encouraged that Pas de Deux couples where the male dancer is under 14 years old perform using "par terre" partnering only, with no lifting above the shoulder level.

Registration Process

To apply for **Regional Semi-Finals**, participants must register online on the YAGP website <http://www.yagp.org>

To apply for the New York Finals, participants must be invited from their Semi-Final event, and will receive further instructions from YAGP staff.

- To open a NEW ACCOUNT or to register with your old account, please watch the video with the step-by-step instructions on how to properly complete registration:

New School/Studio registration - [video](#)

Individual Dancer affiliated with school - [video](#)

Independent Dancer - [video](#)

- **FOR ALL EXISTING SCHOOL ACCOUNTS:** If your school has already created a Username and Password they should follow the same process this season and register all the students. Once the registration has been completed, students may log in to their own accounts and verify the information or make a payment, but the school must complete the registration.

- Participants who have created a registration account for participation in the YAGP 2018 or 2019 season can use the same account to register for the YAGP 2020 season.

- For both new and existing accounts, in order to be properly registered under a school, participants must obtain the 36-digit school ID number from the school's representative. Failure to use the 36-digit school ID number may result in not being able to link the individual dancer's registration to their school.

- This 36 digit studio code is only available on the school's dashboard once account is created. YAGP will not be able to provide a specific school's 36 digit code to individual dancers creating an account and registration.

- After the registration is complete and all entries have been added to the registration, participants will receive an email with the waiver form, which must be completed upon receipt. After completing the waiver, participants will be able to proceed to the payment section of registration.

- PLEASE CAREFULLY REVIEW your registration information before submission
- If you do not receive the waiver form within 24 hours of submitting your registration, please double check the email that you provided and resend yourself the form through your Dance Genie account (please see our [video tutorial](#)). If you are still having an issue, please contact the YAGP Regional Registration office
- PLEASE CAREFULLY CHECK the email address entered on the registration form. It is our only way to communicate with you and confirm your registration.
- YAGP is not responsible for the information entered by the participants or their representatives in the online registration system. IT IS THE PARTICIPANTS' OR SCHOOLS' RESPONSIBILITY to review the information they enter and make sure it is correct.

- After completing the registration, including the payment section, you will receive a confirmation email to the email address registered to your Dance Genie account.

Teacher Badge Registration

- When registering your dancers online, please be sure to list your Teacher and Director in the “Teacher” field of your registration.

If Teacher or School Director is not listed through the Dance Genie System, YAGP badge will not be provided.

Please note that the maximum number of badges per school is 2, and they may only be given to School Director and Teacher – no parents.

Teacher Badges may be picked up at registration by **only those who have formally registered themselves as “Teacher” (this includes Choreographers and School Directors).**

Due to the each theater building and security regulations (in order to ensure the safety of the children), teachers/directors must provide a **photo ID** when picking up his or her badge at the registration table on site. Please be aware that we will not be able to replace misplaced or stolen Teacher Badges.

Music Submission

CREATING YOUR YAGP MUSIC ACCOUNT:

Once the venue for which you have registered is closed, all schools and independent participants will receive an email inviting you to create and activate your personal account on the YAGP Music platform. This is a one-time, very short setup that will be valid for all YAGP venues that you may attend this year and in the future. It is therefore important that you retain your account information to be able to connect in the future. Please note: this email will be sent to the “registration email” from your Dance Genie account. Please be sure to check your spam or junk folders to make sure that the music upload invitation email is not going there.

IMPORTANT: This system has been used for the YAGP **2018** season for the PARIS, BARCELONA, all US regional Venues, as well as for the NEW-YORK finals. If you participated in one or more of these competitions in 2017/2018, then you (independent participant) **or your school** should already have an account to submit your music for the 2019 YAGP season. If this is not the case, new invitations will be sent **only to schools/studios and independent dancers that do not already have an account, soon after registration closes.**

If you encounter issues that you cannot solve with the guide, please contact music@yagp.org

Instructions:

1 - Once you've been redirected to the platform, click on the ACTIVATE ACCOUNT button. You will be taken to the front/login page, and prompted to create your password-protected account. Once you have created your account, you will receive a confirmation email (Please note: it may take a moment for the front page to fully load).

2 - You should now be able to log in to your personal music upload space, by entering your registered email, and the password you submitted when creating your music account.

3 – In your personal space, on the left-hand side, go to FOLDERS > SHARED FOLDERS. Here you can access an upload space specific to each venue, with each venue divided into categories:

Ensembles/Solos, Classical/ Contemporary, Junior/Senior/Pre-Competitive, etc.

EXAMPLE: If you wish to submit a music file for a Senior Participant that will be performing a Classical Solo at the Paris Venue Competition, simply click on SHARED FOLDERS, select the PARIS folder, the SOLOS Folder, the SENIOR Folder, and finally the CLASSICAL Folder.

NAMING YOUR MUSIC FILES - VERY IMPORTANT:

Please be sure to respect the following protocol for naming your music submissions. This ensures that the right music files will be associated to the right dancers during the competitions. **PLEASE NOTE THAT MUSIC SUBMISSIONS THAT DO NOT RESPECT THIS WILL NOT BE ACCEPTED.**

Please also note that you should rename your files on your computer, BEFORE uploading them into the system.

Soloists:

Venue - Category - Classical/Contemporary - Dancer Full Name (Age) - Entry Title - Run Time.

Example: Paris - Junior- Classical- Jane Doe (14) - Variation From Paquita - 2min30.

Ensembles:

Venue, Ensemble Type, School Name, Entry Title, Run Time.

Example: Paris, Large Ensemble, Ballet Academy, White Rain, 2min45.

UPLOADING YOUR MUSIC:

After creating your account and naming your music files correctly, you are now able to upload your music File(s) to the folder(s). This can be done two ways:

- **Drag and Drop your music file from your computer directly into the final folder you have now opened on your personal space.** A loading bar will indicate the progress of the upload. When it reaches 100%, the upload is complete. It's that simple ! If you need to upload several music files into a folder, you may do so by selecting them all at the same time, and then dragging and dropping them into the folder. The files will automatically queue, and upload one after the other.

- **Click on BROWSE FILES, and locate in your computer the correct music file that you want to upload IN THIS PARTICULAR CATEGORY/ VENUE. Click on Open to upload the file.** A loading bar will indicate the progress of the upload. When it reaches 100%, the upload is complete. If you need to upload several music files into a folder, you may do so by selecting them all at the same time, and then Clicking on Open to upload the files. The files will automatically queue, and upload one after the other.

NEW!!! Please note that the deadline for all music submission is 2 WEEKS BEFORE YOUR COMPETITION. Any music submitted after this point will acquire a \$10 PENALTY FEE per entry.

EDITING/DELETING MUSIC ENTRIES:

Please note that on your personal space you may only view and read **YOUR OWN FILES, which you uploaded yourself.**

If you need to delete a track and replace it with a new version, simply click the file's box, and click the trash icon. PLEASE BE SURE TO REPLACE THE FILE.

If you need to rename a file, simply hover over its title, click the pencil icon on the right of the name, and rename the file. PLEASE BE SURE NOT NOT TO DELETE THE EXTENSION (.mp3, wav, etc) AT THE END OF THE FILE'S NAME.

Deadlines

- When applying for **Regional Semi-Finals**, a participants' application(s) for registration are processed on a first-come, first-served basis. Registration will close when a venue has reached its maximum capacity. Any additional applications must be registered to the Waiting List for that venue. If additional space becomes available, applications on the Waiting List will be processed in the order in which they were received. If you are on the Wait List – payment is not required and will not be accepted.

PLEASE NOTE: placement on the Waiting List does not guarantee registration. However, YAGP does it's best to accommodate all participants, and very often are able to accept the students from the wait list.

- All updates, including TBD entries, **MUST** be received no later than 1 week preceding the competition weekend. Failure to update the information by the deadline may compromise the judge's' ability to properly evaluate the student's performance, jeopardize the tech team's ability to accommodate the performance, and compromise the way the student's performance is announced during the competition. Please see penalty fees for late updates below.

- **Deadline for music submission (or music changes) is TWO WEEKS prior to the competition.** Please see penalty fees for late music submission below.

PAYMENTS AND PAYMENT DEADLINES FOR SEMI-FINALS

For your convenience, we have 3 payment options this year:

1. Register your dancer and pay your fees in full - this means you are 100% registered, and we look forward to seeing you at the Venue!
2. Register your dancer and pay the \$95 registration fee - this means you are halfway there and will need to complete your payment 60 days before the competition or earlier.
3. Register your dancer without paying any registration fees - this means you have only completed the registration on your end and the system does not recognize you as registered. Until we receive the minimum payment, the system will not put you in the competition schedule.

Please note that if you are registering through multiple accounts (for example: both an Individual account for your solos and a School account for ensembles) it is your responsibility to notify YAGP of the multiple registration fees **BEFORE** making the second payment. YAGP is not liable for registration fees paid twice.

IN ORDER TO RESERVE SPACE AT ANY LOCATION, YAGP MUST RECEIVE THE REGISTRATION FEE DEPOSIT OF \$95 per dancer, per location.
(Attention! The \$95 Registration fees is non-refundable. Please refer to our Non-refund policy below)

NEW! If your account has no payment 60 days before the competition date and venue is closed, your registration will be moved to the Waiting List without any further notice.

NEW! If your account is not paid in full 30 days before the competition date, \$5.00 late fee per entry will be applied.

The final competition schedule will only include participants who have paid their balance in full no later than 30 days before the competition date.

Repertoire List, Time Limits & Props

Classical Repertoire List

To participate in YAGP's Classical Ballet category, participants are strongly encouraged to select a variation from the Classical Repertoire List below. This list is approved by the majority of the YAGP Jury Panel. If you choose a variation not on the list below, it will be up to each Judge to decide if it is age and skill appropriate. If participants passed to NY Finals with a variation not on the list below, Judges may request they change their current variation and replace it with one from the approved list.

Please note:

Gamzatti Temple Variation (Choreography: N. Makarova) - is NOT accepted (our judges can lower your score if this variation is presented).

Pharaoh's Daughter may not be presented in any YAGP Europe Semi-Final locations.

PLEASE NOTE: At the YAGP European Semi-Finals, each Solo participant may perform a maximum of 2 classical variations and 2 contemporary solos.

Pre-Competitive Note:

YAGP rules allow for Pre-Competitive participant teachers to make slight changes to the original, classical choreography in order to accommodate a student's specific technical level. If significant changes are made to a classical variation, or if an original work is choreographed for the student, that piece will be considered as a Contemporary/Open category entry.

Junior Note:

In each category, our judges evaluate dancers in consideration of their specific age group. We strongly advise our Junior participants to choose the variation that's appropriate to their age and skill level.

PROPS USAGE

PLEASE NOTE that the theater may restrict the use of props.

- Please note that all props that participants wish to use are used at the participants' own risk. YAGP is not responsible for any injury or incident resulting from a participants' use of props of their choice.
- YAGP does not provide storage for any props.
- YAGP does not provide assistance with the movement of props either on or off stage. Both the storage and the movement of props on and off stage are the responsibility of the participant.
- YAGP is not responsible for any lost props.
- In order to use props at the YAGP Finals, ALL PROPS MUST BE APPROVED by the Production Office in advance (no later than 3 weeks before the start date of the Finals). To approve the usage of props at the YAGP Finals, please email production@yagp.org with the subject line, "Props usage request – YAGP Finals."
- YAGP does not provide assistance with any shipping of props before or after a competition.
- YAGP reminds teachers, parents, and students that backstage space is often limited, and props may not fit in the allotted space. We ask choreographers to respect this circumstance when making their pieces and limit the use of props to the absolute minimum.

Regional Awards & Scores

- The winners in the Classical Ballet and Contemporary/Open Dance categories may be announced either separately or combined. This will be determined at the judges' discretion.
- For all age divisions, male and female participants will compete separately unless there are less than 6 male participants. In that case, for the purposes of placement male and female participants will be combined, but a separate Best Male Dancer award may be presented at the discretion of the jury.
- The Grand Prix Award is given for the best overall performance in the Senior age division. The Youth Grand Prix Award is given for the best overall performance in the Junior age division. The Hope Award is given for the best overall performance in the Pre-Competitive Age division. These awards are given to the dancers who, by the consensus of the YAGP jury panel, have exceeded all other dancers in their age division in both the Classical Ballet and Contemporary/Open Dance categories. To be considered for these top awards, participants must perform both a Classical Variation and a Contemporary/Open Solo.
- The YAGP jury reserves the right not to present all of the announced awards.

SCORING

The scoring system consists of two elements - artistic and technical - and is evaluated on a 100-point system. Each judge's scores are the average of the technical and artistic marks. The total score is the average of scores given by all judges (there are usually three to five judges at each regional Semi-Final), all from different backgrounds. In addition to providing a numerical score for each participant's performance, judges may offer personal comments on the score sheet to help guide participants in their training. Scoring is adjusted to students' individual technical levels.

SCORESHEETS

Please note that YAGP will not be responsible for the score sheets after they have been picked up or mailed. YAGP do not keep any leftover scores after the competition, and will not have access to any comments from the jury members, but can provide you with numerical scores.

Score sheets are available for pick-up throughout the final day of competition:

- If the last event of competition is Awards Ceremony - scoresheets will be distributed right after Awards Ceremony.
- If the last event of competition is Master Classes - scoresheets will be available at the YAGP Desk at the Lunch time.

If you unable to pick up your scores at that time, you will have only two options:

- Delegate score sheets pick up to a trusted representative by giving them the teacher's badge.
- Bring a self-addressed envelope in the size of 10" x 13" with a minimum of 4 stamps.

Please note: any envelope that does not meet the above criteria, or does not have adequate postage will not be mailed.

Selection for the YAGP Finals (96 is the total score to be eligible for the Finals!)

- To be eligible to participate in the New York Finals, dancers must be selected at one of the YAGP Semi-Final events (competitions, auditions or workshops) or must be invited from the Video Preliminary round (available only to international students who are unable to attend a Semi-Final in their country).

***REGIONAL SEMI-FINALS:** To be eligible to participate in the Finals, dancers must receive a total score of 96 or higher for a solo entry in the Classical Ballet category. Additionally, at judges' discretion, individual solo participants who did not receive a total score of 96 or higher on their Classical Ballet variation may be invited to the Finals.

PLEASE NOTE: receiving a score of 96 or higher in the Contemporary/Open category DOES NOT make a participant eligible to be selected for the Finals.

- **VIDEO PRELIMINARY ROUND:** To be eligible to participate in the finals, dancers must be selected by the YAGP jury on the basis of their Video Preliminary round entry. The deadline for the submission of entries for the Video Preliminary round is 11:59pm (Eastern Standard Time, USA) on December 15, 2019. Preferred submission format: YouTube links. Videos that require passwords or that need to be downloaded will not be accepted. Students who pass to the Finals in the Video Preliminary round will be notified by email, at the address they indicate with their submission no later than February 1, 2020.
- Due to limited space at the YAGP Finals, participants selected at regional Semi-Finals have first priority over applicants who submitted their entry in the Video Preliminary round. YAGP reserves the right to close the Video Preliminary round when each location's quota is reached.
- Ensemble entries are invited to the Finals at the judges' discretion or if received a total score of 96. To be eligible for consideration for the invitation by the jury, an Ensemble entry must receive a total score of 96 or higher.
- Receiving 1st, 2nd or 3rd place at a regional Semi-Final does not guarantee selection for the Finals, as these places are awarded relative to the other performances in each category. Example: If a dancer received the 1st, 2nd or 3rd place in their category, but did not receive a total score of 96 or higher for their Classical Ballet entry, the dancer is not eligible for the Finals.

***FOR DANCERS IN THE PRE-COMPETITIVE AGE DIVISION**

Pre-Competitive age division participants are eligible for the Finals if they receive a total score of 96 or higher for any of their solo performances.

PLEASE NOTE: only the pieces that received a total score of 96 or higher are eligible for entry in the Finals. If a Pre-Competitive participant receives the passing score for several solo pieces, they may select a **MAXIMUM OF TWO PIECES** for the Finals – 1 Classical and 1 Contemporary.

FOR DANCERS IN THE JUNIOR AND SENIOR AGE DIVISION

- If selected for the Finals, in order to participate, Junior and Senior dancers **MUST** register with 1 classical variation and 1 contemporary solo.
- It is strongly suggested that participants register for the Finals with the same variation as the one on the basis of which they were selected for the Finals. However, it is not mandatory; participants may select any other variation from the Classical Repertoire List.
