Health Code

The health and safety of our participants remains our top priority, and YAGP will continue to follow all guidelines issued by the U.S. government, state and local/city governments, and theater policies.

General Information

- YAGP 2023 is open to dance students of all nationalities, ages 9-20 years old. Students younger or older may participate in the Ensemble or Pas de Deux category, as long as the average age of the dancers in the ensemble or Pas de Deux falls between ages 9 and 20. To find the average, add the age of all dancers and divide it by number of the dancers in the entry. The final number should be between 9 and 20.
- A participant's age for the entire YAGP 2023 season is determined strictly as of January 1, 2023.
- **Professional dancers are not permitted to compete in YAGP.** A professional dancer is defined by YAGP as anyone who is employed as a full-time dancer (Apprentices are included) with a professional dance company on a yearly contract that engages the dancer at least 26 weeks per year. This includes dancers who are not currently employed under such a contract, but have been in the past.
- We encourage YAGP participants, parents, and teachers to check the YAGP website <http://www.yagp.org> and FOLLOW YAGP ON FACEBOOK, TWITTER AND INSTAGRAM for the latest registration information and other updates.
- Participants may enter the competition as soloists, part of an ensemble or Pas De Deux entry, or in any combination thereof.
- Participants may enter the competition either; representing an Independent Student who is participating without a school affiliation, as an Individual Dancer who is affiliated with a school (You must set up an Individual account and obtain your school's 36-digits studio code **BEFORE** registration can be started), or the Studio/School may register all participants for YAGP. All Ensembles **MUST** be registered through a Schools/Studios account.

Attention: If you are registering through multiple accounts (for example: both an Individual account for your solos and a School account for ensembles), it will be Participant's responsibility to notify YAGP of the multiple registration fees **BEFORE** making the second payment. YAGP is not liable for registration fees paid twice.

- Participants are welcome to register at multiple Semi-Final locations (subject to space availability at each location).
- In order to compete in the Classical Ballet category at any regional Semi-Final, dancers must select their variation from the Classical Repertoire List (see below and **please note age restrictions on variations**).
- It is the **participant's responsibility to obtain approval to present choreography** for any variations that require approval listed below.

- Students are able to perform more than one variation, however, YAGP reserves the right to restrict the number of variations a student may perform, restrict the number of events a student attends, or decline any registration at YAGP's discretion.
- All solo participants have a choice of performing in one or both of the following categories:
 - Classical Ballet: Variation must be chosen from the Classical Repertoire List below.
 - Contemporary/Open Dance: This category includes any "open solo" variation that is not taken from the Classical Repertoire List and features a different aspect of the participant's skill and versatility as a dancer (it cannot be classical variation).

PLEASE NOTE: in order to qualify for Finals, each Junior and Senior participant must perform at least one Classical variation from the repertoire list, provided by YAGP.

Once invited to the Finals, all Junior and Senior participants must perform one Classical variation and one Contemporary solo.

- Participants who wish to perform a Pas de Deux from the Classical Repertoire List may perform adagio and coda only.

Pre-Competitive participants are restricted to the PC-specific Classical Repertoire List. YAGP rules allow for Pre-Competitive participants' teachers to make slight changes to the original, classical choreography, in order to accommodate a student's specific technical level.

PLEASE NOTE: If an original work is choreographed for the student, that piece should be registered as a Contemporary/Open category entry.

PERFORMING EN POINTE

We are strongly committed to ensuring the safety and well-being of all dancers, and especially of our youngest participants. Please make sure that you adhere to the guidelines set forth below:

Students Age 10 and under are strictly prohibited from performing en pointe. If participants still choose to perform en pointe, they will not be eligible for any Top 3 placement at that venue.

Students Age 11 are strongly discouraged from performing en pointe.

NOTE: Pre-Competitive students performing en demi-pointe may perform any variation from the Junior list of repertoire in addition to the Pre-Competitive repertoire list.

Master Classes with the YAGP jury members and master teachers are an integral part of the YAGP experience and part of YAGP's educational mission. Though **participation is not mandatory**, we strongly encourage all participants to take advantage of this valuable part of the YAGP experience. Not attending will not affect a participant's score or standing with YAGP.

Some classes will be conducted online this season (due to some studio's post-Covid restrictions). We will notify participants closer to the event. Students from the same school may gather in their independent studios to join us from their assigned classes.

- YAGP reserves the right to make photo and/or video recordings at any time during any YAGP event. This includes, but is not limited to, the recordings of master classes, participants' rehearsals or performances during the competition, or any activities in the venue lobby or backstage. By participating in YAGP, participants and their parents and/or legal guardians give their express permission for YAGP to make any photo/video recordings at any time. Also, by

participating in YAGP, participants and their parents or legal guardians give YAGP their express permission to use any such photo/video recordings (including those containing their name or likeness) for YAGP promotional purposes (including any uses in print, online, or in social media).

PLEASE NOTE: YAGP rules and regulations do not permit participants to receive winning placement at more than one location. The only exception to this rule is when a dancer places higher than in previous venue.

Example: If a dancer has already placed in the Top 12 at one Regional Semi-Final, he/she will not be eligible to be placed in Top 12 at any other location – unless they place higher (1st, 2nd or 3rd place). If a dancer receives 2nd place at one Regional Semi-Final, he/she will not be eligible to receive any place at any other location – unless they place higher (1st place or the best overall in their age division).

Small and Large Ensembles

Due to high demand, awards may be announced either separately or combined for Small Ensembles (2-4 dancers) and Large Ensembles (5+ dancers). This will be determined at the judges' discretion and is dependent on the total number of Ensembles in any given venue.

Virtual Competition

YAGP will notify by email, social media and website about any location which will be required to conduct competition virtually (due to local travel restrictions or health rules and regulations).

If we offer any Virtual competition, it will have the following guidelines:
(please go to YAGP website front page to register)

Format:

- Video format will need to be in MP4 (mpeg4)
- Dancers must upload a video of solo/s. This video may be in whichever category you wish to participate
- **Please note:** All footage must be within the last 6 months. The solos may be performed with or without costume and either in a classroom, or on a stage.
- YAGP will release the Virtual Competition date and all entries will be streamed and judged by a panel of judges.
- Classes with YAGP judges will take place either 1-2 weeks *before* or *after* each semi-final event, to be determined closer to the date.
- **Please note:** Dancers may join these Zoom classes from their studios or from their homes (depending on the safety and health conditions).

Age Divisions

- **Senior age division:** 15 - 20 years old (To assist students who were unable to find professional placement this year as a result of the coronavirus pandemic, the Senior Age Division will be extended to include dancers age 20)
(born between January 2, 2003 and January 1, 2008)
- **Junior age division:** 12 - 14 years old
(born between January 2, 2008 and January 1, 2011)
- **Pre-Competitive age division:** 9 -11 years old
(born between January 2, 2011 and January 1, 2014)

Pas De Deux, Duets, small and large Ensembles:

To find the average, add the age of all dancers and divide it by number of the dancers in the entry. The final number must be between 9 and 20.

Please note: Professional dancers cannot participate as partner (Professional dancer: any dancer who is apprentice, trainee, part time or full time dancer with professional dance company)!

PLEASE NOTE: It's strongly encouraged that Pas de Deux couples where the male dancer is under 14 years old perform using "par terre" partnering only, with no lifting above the shoulder level.

Registration Process

Regional Semi-Finals, participants must register online on the YAGP website <http://www.yagp.org>

Finals, participants must be invited from their Semi-Final event, and will receive further instructions from YAGP staff.

- To properly complete registration or open a **NEW ACCOUNT**, we strongly suggest watching the video/s with the step-by-step instructions **BEFORE** registering or creating any new account: <https://yagp.org/registration-tutorials/>

- **FOR ALL EXISTING SCHOOL ACCOUNTS:** If your school has already created an account, school representatives should follow the same process this season and register all the students. Once the registration has been completed, students may login into the school account, using their login information created and sent by the Dance Genie Registration System to their email address. Students or their guardian must verify the information that has been inputted by the school representative and make a partial or full payment.

- For both new and existing accounts, in order to be properly registered under a school, participants **must** obtain the 36-digit school ID number from the school's representative. Failure to use the 36-digit school ID number may result in not being able to link the individual dancer's registration to their school.

Please note: IF 36-digit school ID number not used **BEFORE** initial registration, it will not be possible in any way to link student's Individual account to a school's account.

- This 36-digit studio code is only available on the school's dashboard and must be provided by school's representative. YAGP will **not** be able to provide this 36-digit code nor link accounts.

VERY IMPORTANT: to be able to proceed to the payment, you have to complete the Waiver!

After all entries have been added to the registration, the person responsible for the registration process **must** email the Waiver right from the registration portal's Dashboard located under the "Dancer" button, which must be completed upon receipt by the guardian of the participant. After completing the waiver, you will be able to proceed to the payment section of the registration and complete your Registration.

- PLEASE CAREFULLY REVIEW your registration information before submission
- Please see our [video tutorial](#). If you are still having an issue, please contact the YAGP Regional Registration office
- PLEASE CAREFULLY CHECK the email address entered on the registration form. It is our only way to communicate with you and confirm your registration.
- YAGP is not responsible for the information entered by the participants or their representatives in the online registration system. IT IS THE PARTICIPANTS' OR SCHOOLS' RESPONSIBILITY to review the information they enter and make sure it is correct.

- After completing the registration, including payment in full, you will receive a confirmation email to the email address registered to your Dance Genie account. Or you may simply login back to your account and refer to your account Dashboard and double check all details that have been entered. Please use this tutorial how to "read" your Dashboard - <https://yagp.org/registration-tutorials/>

Teacher Badges

To receive the Teacher' badge/s onsite, please make sure to fill out our special Google form which we will send to you by email before competition (not earlier than 2 weeks). You still need to add Teachers names when you register (in the "Teacher" field), but only names from the Google form will be accepted for badges. **Note: Email requests for badges will not be accepted.**

In order to comply with-Health Guidance, only 1 representative per school (including teachers and school/studio directors) will be allowed backstage! Teachers can take turns for each Open stage.

No parents backstage! Limited exception could be for parents of 9-10 years old students, **IF** teacher is not present. There will be no exceptions for other ages.

Please note theater can change their rules anytime and can limit backstage and house attendance.

If theater rules allows, we will distribute 2 badges per each school.

Due to the each theater building and security regulations (in order to ensure the safety of the children), teachers/directors must provide a **photo ID** when picking up his or her badge at the registration table on site. Please be aware that we will not be able to replace misplaced or stolen Teacher Badges.

Deadlines

- When applying for **Regional Semi-Finals**, a participants' application(s) for registration are processed on a first-come, first-served basis. Registration will close when a venue has reached its maximum capacity. Any additional applications must be registered to the Waiting List for that venue. If additional space becomes available, applications on the Waiting List will be processed in the order in which they were received. If you are on the Wait List – payment is not required and will not be accepted.

PLEASE NOTE: placement on the Waiting List does not guarantee registration. However, YAGP does it's best to accommodate all participants, and very often are able to accept the students from the wait list.

- All updates, including TBD entries, **MUST** be received no later than **TWO WEEKS** preceding the competition weekend. Failure to update the information by the deadline may compromise the judge's ability to properly evaluate the student's performance, jeopardize the tech team's ability to accommodate the performance, and compromise the way the student's performance is announced during the competition. Please see penalty fees for late updates below.
- Deadline for music submission (or music changes) is **TWO WEEKS** prior to the competition. Please see penalty fees for late music submission below.

PAYMENTS AND PAYMENT DEADLINES FOR SEMI-FINALS

Until we receive the Full payment, the system will not put you in the competition schedule. Please note that if you are registering through multiple accounts (for example: both an Individual account for your solos and a school account for ensembles) it is your responsibility to notify YAGP of the multiple registration fees **BEFORE** making the **final** payment. This list is approved by the majority of the YAGP Jury Panel. If you choose a variation not on the list below, it will be up to each Judge to decide if it is age and skill appropriate. - YAGP is not responsible for any lost props.
- In order to use props at the YAGP Finals, ALL PROPS MUST BE APPROVED by the Production Office in advance (no later than 3 weeks before the start date of the Finals). To approve the usage of props at the YAGP Finals, please email production@yagp.org with the subject line, "Props usage request – YAGP Finals."
- YAGP does not provide assistance with any shipping of props before or after a competition.
- YAGP reminds teachers, parents, and students that backstage space is often limited, and props may not fit in the allotted space. We ask choreographers to respect this circumstance when making their pieces and limit the use of props to the absolute minimum.

Regional Awards & Scores

Awards Ceremonies will be held Live, unless restricted by local travel or health regulations. In that case, it will be conducted online, and the date and time will be announced for each location at a later date.

- The winners in the Classical Ballet and Contemporary/Open Dance categories may be announced either separately or combined. This will be determined at the judges' discretion.
- For all age divisions, male and female participants will compete separately unless there are less than 6 male participants. In that case, for the purposes of placement male and female participants will be combined, but a separate Best Male Dancer award may be presented at the discretion of the jury.
- The Grand Prix Award is given for the best overall performance in the Senior age division. The Youth Grand Prix Award is given for the best overall performance in the Junior age division. The Hope Award is given for the best overall performance in the Pre-Competitive Age division. These awards are given to the dancers who, by the consensus of the YAGP jury panel, have exceeded all other dancers in their age division in both the Classical Ballet and Contemporary/Open Dance categories. To be considered for these top awards, participants must perform both a Classical Variation and a Contemporary/Open Solo.
- The YAGP jury reserves the right not to present all of the announced awards.

SCORING

The scoring system consists of two elements - artistic and technical - and is evaluated on a 100-point system. Each judge's scores are the average of the technical and artistic marks. The total score is the average of scores given by all judges (there are usually three to five judges at each regional Semi-Final), all from different backgrounds. In addition to providing a numerical score for each participant's performance, judges may offer personal comments on the score sheet to help guide participants in their training. Scoring is adjusted to students' individual technical levels.

SCORING RESULTS

All scoring results will be done electronically and will be sent shortly after the event to the registration email address.

REGIONAL SCHOLARSHIP OFFERS

Participants who receive scholarship offers or letters of interest/acceptance following their regional semi-final should follow up directly with the contact information provided from the presenting school. We kindly ask participants to then inform our regional office once any offers have been formally accepted.

Selection for the YAGP Finals (96 is the total score to be eligible for the Finals)

To be eligible to participate in the Finals, dancers must be selected at one of the YAGP Semi-Final events (competitions, auditions or workshops).

Dancers must receive a total score of 96 or higher for a solo entry in the Classical Ballet category*. Additionally, at judges' discretion, individual solo participants who did not receive a total score of 96 or higher on their Classical Ballet variation may be invited to the Finals.

PLEASE NOTE: receiving a total score of 96 or higher in the Contemporary/Open category DOES NOT make a participant eligible to be selected for the Finals.

- If selected for the Finals, in order to participate, Junior and Senior dancers **MUST** register with 1 classical variation and 1 contemporary solo.
- It is strongly suggested that participants register for the Finals with the same variation as the one on the basis of which they were selected for the Finals. However, it is not mandatory; participants may select any other variation from the Classical Repertoire List.

***FOR DANCERS IN THE PRE-COMPETITIVE AGE DIVISION**

Pre-Competitive age division participants are eligible for the Finals if they receive a total score of 96 or higher for any of their solo performances.

PLEASE NOTE: only the pieces that received a total score of 96 or higher are eligible for entry in the Finals. If a Pre-Competitive participant receives the passing score for several solo pieces, they may select a **MAXIMUM OF TWO PIECES** for the Finals – 1 Classical and 1 Contemporary.

- Receiving 1st, 2nd or 3rd place at a regional Semi-Final does not guarantee selection for the Finals, as these places are awarded relative to the other performances in each category. Example: If a dancer received the 1st, 2nd or 3rd place in their category, but did not receive a total score of 96 or higher for their Classical Ballet entry, the dancer is not eligible for the Finals.

***FOR ENSEMBLE DANCERS**

Ensemble entries are invited to the Finals at the judges' discretion or if received a total score of 96.
