25th Anniversary Season

International Semi-Final

Venue Guide

OCT 30 – NOV 4, 2023

Cordoba, Mexico

Dear Friends,

Welcome to the Youth Grand Prix 2024 competition season – and to YGP 2024 semi-final in Mexico.

YGP 2024 Mexico Semi-final (on October 30 – November 4, 2023) will take place in Cordoba – a historic, small, very safe colonial town in the Mexican state of Veracruz. It is different from all the other semi-finals in that it is conducted festival-style, where no winning places are announced. Instead, it is a series of performances observed by the international panel of scholarship presenters and company directors who share their personalized feedback with the students on every performance, but do not score the performances.

The festival opens and closes with two spectacular “Stars of Today Meet the Stars of Tomorrow” gala performances, where invited guest artists share the stage with outstanding student dancers. The Festival closes with an Awards ceremony, with more than 100 scholarships announced to the students who were selected by the scholarship presenters and company directors, based on the participants’ performance during the Festival.

Mexico is a country where celebration is an integral part of the culture, and the YGP Mexico semi-final is known for its fun celebrations for participants and teachers.

Below, please find some preliminary information to help you plan for the YGP semi-final in Mexico.

Please note that as additional information becomes available, this guide will be updated.

If you have any questions, please contact info@yagpmexico.com.

We look forward to seeing you at the event and in the upcoming season,
