## Important Information

# ABOUT THE VENUE

Located at the heart of the city, this 22-hectare integrated, mixed-used lifestyle district in Makati will give a new definition to arts, culture, and entertainment for all. With its intent on family focused entertainment, this exciting township development has launched several projects that very well positions itself as the center of arts and culture in Makati. Anchored by the state-of-the-art Samsung Performing Arts Theater, Circuit Makati offers citizens, young and old, multiple ways to enjoy a rich and diverse artistic

lifestyle. Samsung Performing Arts Theater is an iconic project of Ayala Land Incorporated as part of their goal of enriching lives and creating thriving and sustainable communities through the arts. Designed by US-based consultants, Theater Projects Consultants, and experts on sound design, Akustics, in partnership with Philippine firm GF & Partners Architects and world-renowned architects from Callison RTKL, the Samsung Performing Arts Theater is a 1,500 seater landmark performance facility built to provide a home for the Filipino, International and Global Talent.
