Dear Friends,

We are thrilled to welcome you to the Youth Grand Prix 2024 competition season and the 25th Anniversary of the Youth America Grand Prix! We are excited about Singapore's first-ever YAGP International Ballet & Contemporary Dance Workshop! YGP is delighted to partner with Masterpiece International Ballet Competition to bring you this Workshop. The YGP Singapore Workshop will be taught by Ms. Larissa and Mr. Gennadi Saveliev, founders of YGP, and two other renowned Masters. Below is a preliminary timeline to help you plan your schedule and venue information.

YGP aims to allow talented students to receive grants and scholarships from the most prestigious ballet schools and companies worldwide. By participating in the Singapore Workshop, exceptional participants may be given the opportunity of direct entry to the 2024 YAGP Finals.

TIMELINE

So that you know, the posted timeline is NOT FINAL and is only meant to give you an idea of how the Workshop will be structured. There is a maximum number of participants for this Workshop because of the venue size, so we recommend registering early. Each participant will participate in TWO days of classes, TWO classes each day. We will be using two different venues for the classes. Some age groups will need to change location on the final day. For example, on day 1 they will be taking classes at location A, and on day 2 they will be taking classes at location B. The exact schedule and location-allocation will be determined after registrations have been completed.

The first draft of the updated timeline with a detailed schedule will be posted shortly after the registration cut-off date. The final timeline will be posted 7 - 10 days before the event.

VENUE

Here are the details about Workshop venues. There is limited capacity as these are dance studios, and early registration is recommended to ensure participation.

Best of luck this season, and please do not hesitate to send all your additional questions to yagpeurope@yagp.org.

**All the best,
The YAGP Team**
